Chalet Henriette Guests – Important Information on arrival and departure times.

Please note that our transfer service is an addition to our chalet business. Whilst we strive to be flexible, the service can only be available at times that fit within the running of the chalet (* see below). Therefore if you wish to book our transfer service it is important to check your arrival / departure times with us beforehand!

In the event of us being unable to transfer you at your exact arrival or departure times the following options are available:

1. A waiting period before or after your flight at Geneva airport;
2. Using another Transfer company (charged at their rates). We can recommend several other services.

Text us on: 0033 611 695 079
Email us on: info@alpineelephant.com

* You will be able to access your room from 16:00 on the day of arrival and we ask that you vacate your room from 10:00 on the day of departure.

* If you wish to use our Transfer service on our main changeover days (Saturday or Sunday) this will normally run to a mid-morning departure (outgoing guests) and late-afternoon / early evening arrival (incoming guests). Should you wish to depart later / arrive earlier to maximise skiing time or get cheaper flights (etc) we will endeavour to accommodate this by providing luggage storage but may not be able to provide your transfer.

* Very early arrivals or late departures make it difficult for us to provide the standard of hospitality (re. cleaning, preparing rooms & food etc) that we expect and you (and any other guests) deserve. We reserve the right to refuse arrival / departure times that would cause nuisance to other guests in the chalet and would ask you to arrange a hotel for that night at your own expense.
